To whom it may concern,

We recognise that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are delayed in creating, sharing and posting our COE report due to Sedex currently updating our 5 year strategy, and would like to ensure the COE is aligned with our strategic direction and goals.

We hereby ask for an extension period in order to be able to post a COE that appropriately describes our organisation's efforts and progress in support of the UN Global Compact.

Our COE will be posted on the UN Global Compact website by Friday 3rd March 2023 at the latest.

Kind regards,

Jessica McGoverne

Director of Sustainability Policy and External Affairs
