

Grace letter COP report

2022, November 29

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the fact that all UN global compact participants will have a fixed deadline for next year's COP using a new format (deadline 30 June 2023). Since our COP deadline is close to the introduction of this new COP format we hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by [March 28, 2023] at the latest.

Kind regards, sincerely yours,

On behalf of our CEO

Mr. Machiel Roelofsen
