Dear stakeholders,

I am pleased to confirm that Statnett SF reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption.

With reference to our Sustainability report 2021, Statnett's annual Communication on Progress describe our actions to continually improve the integration of the Global Compact and its principles into our business strategy, culture and daily operations.

We also commit to sharing this information with our stakeholders using our primary channels of communication.
