Statement of Continued Support

I am pleased to confirm that Lumera Group reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labor, Environment and Anti-Corruption as well as the concepts of sustainable development – Environment, Society and Governance (the ESG-factors). In this, our second annual Communication on Progress, we describe our actions to integrate the Global Compact and its principles as well as the ESG factors into our business strategy, culture, and daily operations.

We are also committed to share this information with our stakeholders using our primary channels of communication.

Yours sincerely,

Stockholm November 23rd, 2022

Mats Lillienberg, CEO Lumera
