CEO's Statement of Continued Support

5 December 2022

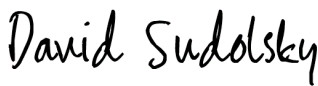

To our stakeholders, partners, and beneficiaries:

I am honored to confirm and reiterate Boldr's continuing support and commitment to the **Ten Principles of the United Nations Global Compact** in the areas of Human Rights, Labour, Environment, and Anti-Corruption.

This Report serves as our first Communication on Progress which indicates the initiatives through which Boldr has consciously integrated the Global Compact and its principles as well as the Sustainable Development Goals across our company's strategy, culture, and operations.

Along with this report, we commit to sharing more information to our external stakeholders through our primary platforms of communication.

Best,

Global Challenges

A. Women's Month

Women's skills and abilities are too vast and varied to be compartmentalized or pruned. For this Boldr Challenge, we celebrated the talents, interests, and passions of Boldr Women through a series of talent-sharing webinars:

- a. Daytime to Nighttime Make-Up with Fer Espinosa
- b. Frozen Lemon Pie with Zamira Ruiz
- c. Makin Mac n Cheese with Tammy Nel
- d. Somatic Movement and Contemporary Dance with Natalia Shrimpton
- e. Tarot Reading with Zellie Bardullas

The challenge was to donate 10 dollars to an organization in South Africa for every person who joins an event. We opened the sessions to everyone in Boldr and we've donated a total amount of 52,500 Rands to Girl Code, a non-profit organization aimed at empowering girls through technology.

B. Exercise Challenge

We challenged everyone to exercise for great causes last June. For every 1 kilometer or every 1300 steps, we would donate a dollar to an organization of each team member's home country. We had 48 Boldranians who stepped up to the challenge and by the end of the month, we were able to raise \$4,736.15.

C. Reading Challenge

In September, we organized a reading challenge for our book-loving team members. For every page read, \$0.05 would be donated to Room To Read, a nonprofit for children's literacy and girls' education across Asia and Africa. We had 27 bookworms who participated and the total amount raised for this Boldr global challenge was \$1,689.93.
