

AYNES GIDA SANAYİ ve TİCARET A.Ş

07.12.2022

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

The sustainability project initiated within our company has unfortunately been delayed due to the sale of our company, and therefore we cannot finalize our CPO report until the specified deadlines.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 15 January 2023 at the latest.

Sincerely yours,

Murat Hocalar

CEO
