General Information

-About the COP Self-assessment-

Using this online questionnaire you will have the opportunity to assess what commonly accepted best practice your COP describes under each of the GC Advanced criteria, in the following areas:

- Corporate Sustainability Governance & Leadership
- Implementing the Ten Principles into Strategies & Operations in the areas of:

Human Rights Labour Environment Anti-Corruption

UN goals and issues

In order for your COP to qualify for the GC Advanced level, you must select at least one best practice for each of the criteria. If you do, the COP will automatically qualify for the GC Advanced level and the results of the self-assessment will be made public on the Global Compact website, alongside your COP. If you cannot confirm, the COP will be

accepted but it will not qualify for the GC Advanced level. However, the results of the self-assessment will be made public on the Global Compact website, alongside the COP, to improve the analysis of the COPs and underlying performance.

Note: Throughout the self-assessment, best practices marked with **1** indicate additional information is available for that item.

Communication Title
Please enter a short title for your submission. Communication on Progress
The Communication on Progress is in the following format: ○ Stand alone document ② Part of a sustainability or corporate (social) responsibility report ○ Part of an annual (financial) report ─What is the time period covered by your COP?
Start date December 2021 End date November 2022
Does your COP contain a statement by the CEO (or equivalent) expressing continued —support for the Global Compact and renewing your company's ongoing commitment to the initiative and its principles? O Yes O No
Does your COP contain a description of actions, and when relevant policies, related to the following issue areas? Human Rights
Does your COP include qualitative and/or quantitative measurement of outcomes illustrating the degree to which targets/performance indicators were met? O Yes O No
How does your organization share its COP with stakeholders? ○ a) Through the UN Global Compact website only ○ b) COP is easily accessible to all interested parties (e.g. via its website) ○ c) COP is actively distributed to all key stakeholders (e.g. investors, employees, consumers, local community) ● d) Both b) and c)

The Global Compact recognizes that there are various options in terms of external assessment. High-quality external assessment should ideally encompass qualitative and quantitative information and performance data in the COP, as well as an explanation of the management systems and processes that foster their credibility.

A credible third-party is defined as groups or individuals external to the reporting organization who are demonstrably competent in the subject matter and eligible to provide feedback on the basis of their role towards the company and their independent position. For guidance on the assurance process, companies may refer to Your Path to External Assessment.

How is the accuracy and completeness of information in your COP assessed by a credible third-party?
□ The COP describes any action(s) that the company plans to undertake by its next COP to have the credibility of the information in its COP externally assessed, including goals, timelines, metrics, and responsible staff □ Information is reviewed by multiple stakeholders (e.g., representatives of groups prioritized in stakeholder analysis) □ Information is reviewed by a panel of peers (e.g., members of the same industry, competitors, benchmarked leaders, others organized via Global Compact Local Network) □ Information is assured by independent assurors (e.g., accounting or consulting firm) using their own proprietary methodology ☑ Information is assured by independent assurors (e.g., accounting or consulting firm) against recognized assurance standard (e.g., ISAE3000, AA1000AS, other national or industry-specific standard) □ Other established or emerging best practices ■
The COP incorporates the following high standards of transparency and disclosure:
✓ Applies the GRI Sustainability Reporting Guidelines or the GRI Standards □ Is 'in accordance - core' with GRI Standards □ Is 'in accordance - comprehensive' with GRI Standards □ Applies elements of the International Integrated Reporting Framework □ Provides information on the company's profile and context of operation ■
Which of the following Sustainable Development Goals (SDGs) do the activities described in your COP address? [Select all that apply] SDG 1: End poverty in all its forms everywhere SDG 2: End hunger, achieve food security and improved nutrition and promote sustainable agriculture SDG 3: Ensure healthy lives and promote well-being for all at all ages SDG 4: Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all SDG 5: Achieve gender equality and empower all women and girls SDG 6: Ensure availability and sustainable management of water and sanitation for all SDG 7: Ensure access to affordable, reliable, sustainable and modern energy for all SDG 8: Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all SDG 9: Build resilient infrastructure, promote inclusive and sustainable industrialization and foster innovation SDG 10: Reduce inequality within and among countries SDG 11: Make cities and human settlements inclusive, safe, resilient and sustainable SDG 12: Ensure sustainable consumption and production patterns SDG 13: Take urgent action to combat climate change and its impacts SDG 14: Conserve and sustainably use the oceans, seas and marine resources for sustainable development SDG 15: Protect, restore and promote sustainable use of terrestrial ecosystems, sustainably manage forests, combat desertification, and halt and reverse land degradation and halt biodiversity loss SDG 16: Promote peaceful and inclusive societies for sustainable and inclusive institutions at all levels SDG 17: Strengthen the means of implementation and revitalize the global partnership for sustainable development
