Dear Stakeholders:

We recognize a vital requirement for our ongoing commitment and participation in the UN Global Compact is the preparation and posting of an annual Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions about the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Due to unforeseen events and circumstances, we ask for an extended period to post a COP that describes our company's efforts and progress to implement the UN Global Compact principles within 90 days from the November COP deadline or sooner.

Yours truly,
