SUBJECT: GRACE TIME FOR SUBMISSION OF COP

Pakistan Petroleum Limited (PPL) has been a signatory to United Nations Global Compact since 2006, the time when local network in Pakistan was established.

Since then, PPL has been regularly submitting annual Communications on Progress (COP) together with MD & CEO's statement, endorsing the company's commitment to UNGC's 10 principles as well as highlighting annual progress towards each principle.

Due to other conflicting urgent assignments, we are late in developing and submitting our COP this time.

We request for a 90-day extension to prepare and post COP 2022 by March 31, 2023.

Yours faithfully,

PAKISTAN PETROLEUM LIMITED
