# UNITED NATIONS GLOBAL COMPACT COMMUNICATION ON ENGAGEMENT

This year [Positive Impact's Acceleration Action Report](#) is being used as a Communication on Engagement for the UN Global Compact.

This section is a guide to where information needed for the UN Global Compact Communication on Engagement can be found:

**Statement from the CEO:** See "Positive Impact CEO Fiona Pelham explains" within Positive Impact: a Purpose Led Organisation

**Information on our policies and procedures which demonstrate the action Positive Impact has taken and plans to take in the Global compact areas:** See Positive Impact: a Purpose Led Organisation. Positive Impact implements inline with ISO 20121. Our policies can be found at the bottom of this page.

**Human rights:** See Action taken for our Objectives for Positive Impact work with UNICEF UK

**Environment:** See Action taken for our Objectives for the actions Positive Impact has taken to engage with SMEs in the event sector to make a net zero commitment through their accelerator programme.

**Labour:** See Positive Impact: a Purpose Led Organisation for information on Positive Impact interns and training programmes.

**Anti-corruption:** See Positive Impact: a Purpose Led Organisation for policies and procedures in place, such as no supply chain, which prevents corruption.

See Action taken for our Objectives which measures the outcomes of all Positive Impact's activities throughout the year.
