On-Line Request

Dear Sir / Madam

With this letter we humbly apply for a 90-days grace period to submit our first 'Communication on Progress'.

We have worked hard this year to introduce our first 'Sustainability Strategy' and we plan on publishing our first report in Q1 2023. We would like to incorporate our 'Communication of Progress' on the 10 key principles into this and consolidate our reporting. This small extension also, allows us the opportunity to complete the collation of data from 2022.

If you have any queries with this, please do not hesitate to contact me on +(44) 7787 515015.

Kind Regards

Yours faithfully

Ailsa Gunn
