

TRUSSARDI

UN GLOBAL COMPACT

COMMUNICATION ON PROGRESS 2022 STATEMENT OF CONTINUED SUPPORT

Milan, 18 November 2022

To our stakeholders:

Here at Trussardi we believe that doing well means doing right for our stakeholders at large. Our 111-year long history is a testament to the commitment of our company to social and environmental responsibility. From the first public campaign "I save a tree", whose profits went to fund an open public subscription promoted by WWF to save the Amazon rainforest back in 1989, to the newly launched concept store at Palazzo Trussardi Alla Scala, designed using recycled materials, embracing the philosophy of reuse rather than discard, Trussardi is continuously evolving, putting its ESG policies at the forefront of its agenda.

I am pleased to confirm that Trussardi S.p.A. reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption.

In this annual Communication on Progress, we describe our actions to continually improve the integration of the Global Compact and its principles into our business strategy, culture and daily operations.

We also commit to sharing this information with our stakeholders using our primary channels of communication.

Sincerely yours,

Mr. Sebastian Suhl
Chief Executive Officer
