We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

And due to new organizational arrangements taking place at the Egyptian Exchange including the creation of a new specialized sustainability unit and the assembling of a related team for the unit, we are inclined to ask hereby for an extension period in order to be able to post the COE that describes our organizations efforts and progress in support of the UN Global Compact.

Our COE will be posted on the UN Global Compact website by the 25th of April at the latest.

Sincerely yours,

Mrs. Sina Hbous
