## COMMUNICATION ON ENGAGEMENT WITH THE UNITED NATIONS GLOBAL COMPACT

To our stakeholders

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a President's statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to internal restructuring and selection of new members of the committees dedicated to the subject. We thank you in advance for your understanding.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by April 2023 at the latest.

Sincerely yours,

---

MAURÍCIO PRAZAK  
President
