

IPPF Grace Letter

6 February 2023

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to a re-organization our organization went through over the last 2 years where we had major changes to our staffing and were not able to complete the reporting on time.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by **6 May 2023** at the latest.

Sincerely yours,

Riva Eskinazi
