To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes. We are late in creating, sharing and posting our COE report due to a misunderstanding that the new online reporting platform allowed reports to be uploaded during the period of March-June in the year that they are due.

We hereby ask for an extension period to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by 31 May 2023 at the latest.

Sincerely yours,

A handwritten signature in black ink that reads "Lyn Horn".
