

Until the day,
when every heart disease patient in the world
can get out and romp around willingly

Milal Heart Foundation

I UN Global Compact Communication on Engagement (COE) 2023

This report focuses on the current status and achievements of the Milal Heart Foundation's sustainable management from April 2021 to March 2023. However, depending on the nature of the business, data from the past several years were also used, and if deemed necessary, data on past activities and performance are also included.

President Statement of continued support p3

About Milal Heart Foundation p4

UN Global Compact – Communication on Engagement

Human rights – Principle 1-2 p7

Labour – Principle 3-6 p10

Environment – Principle 7-9..... p12

Anti-corruption – Principle 10 p13

Dear Mr. Secretary General,

I am pleased to confirm Milal Heart Foundation continued support for the United Nations Global Compact and its 10 Principles in the areas of Human Rights, Labour, Environment and Anti-Corruption.

Milal Heart Foundation is dedicated to driving improvements in responsible and ethical business practices in 24 countries. Also, we have supported more than 4,300 cardiac surgery patients around the world.

We recognize the vital role that the UNGC plays in advancing sustainable development across the global business community.

As a non-business signatory we will continue to promote the values of the UNGC with our members.

The Communication of Engagement (COE) below, outlines the actions and outcomes that our organization has taken over the last two years to support the UN Global Compact and its Principles.

We welcome any feedback.

Your sincerely,

Jeongjae LEE
President of Milal Heart Foundation
Mar, 2023

[Vision: Make the Heartbeat around the World]

Milal Heart Foundation gave new life more than 4,300 heart disease patients around the world since 1987. Milal Heart Foundation has supported expense of cardiac surgery and provided scholarships for outstanding children who had been cardiac surgery. Also, Milal Heart Foundation has provided free medical service, cultural event and tour for heart disease children and works for building houses for them.

I . Human Rights

1. Business should support and respect the protection of internationally proclaimed human rights;
2. Make sure that they are not complicit in human rights abuses.

Cardiac surgery *To respect the right of life*

For the past two years,
the Milal Heart Foundation has supported heart surgery
for **302** heart disease patients in **13** countries.
To date, more than **4,300** heart disease patients in **24**
countries have had surgeries and MOU with those
countries.

Milal Heart Foundation has supported more than 4,300 cardiac surgery in 24 countries
and has MOU for cardiac surgery

House building

To protect the minimum rights to lead a human life and survive

Milal Heart Foundation built total 22 houses
for Cardiac surgery children

Philippines: 3 / Vietnam: 19

II. Labour

3. Businesses should uphold the freedom of association and the effective recognition of the right to collective bargaining;
4. the elimination of all forms of forced and compulsory labour;
5. the effective abolition of child labour; and
6. the elimination of discrimination in respect of employment and occupation.

Milal School in slums area of India

To provide educational opportunities for children

To promote children going to school instead of workplace

Scholarship Program

To offer education opportunities for children in poverty

To cultivate global leaders for children who had cardiac surgery

To support children who could barely afford the educational expenses

Especially Mongolian scholarship student
who obtained a master's degree in Korea
and is currently in the doctoral course

Students studying in local

VIETNAM

CAMBODIA

INDIA

MONGOLIA

III. Environment

7. Businesses should support a precautionary approach to environmental challenges;
8. undertake initiatives to promote greater environmental responsibility;
9. encourage the development and diffusion of environmentally friendly technologies.

Separate trash for Recycling

*To activate eco-friendly resource circulation
and reduce waste disposal costs*

Use a personal tumbler and tableware

*To reduce the environmental impact
of plastic waste*

Using Reusable Paper

*To reduce paper waste
by reusable paper*

Employees use public transportation when they commute and go to work outside

To save energy and protect the environment

IV. Anti-Corruption

10. Businesses should work against corruption in all its forms, including extortion and bribery.

Write an annual report on the website

To the transparent progress of the budget

- All expenses recorded by filing.
- Budget reviewed by the board of directors.
- Annual donation amount and usage performance statement
- were written on the website including the audit report → www.lovemilal.com

Monthly meeting

To hear the opinions of employees - Every staff can offer proposal through monthly meeting.

Participate in the Anti-Corruption Pledge
& Attend the Regular General Assembly

*To create a fair and clean society
through a corporate anti-corruption
environment*

함께 해주심에 감사드리며

전 세계 심장병 환우들이 마음껏 뛰노는 그날까지
밀알심장재단은 계속됩니다

Until the day,
when every heart disease patient in the world
get out and romp around on the lawn

전 세계의 심장을 뚫어하라
Make the Heartbeat around the World
