### PERIOD COVERED BY THIS COMMUNICATION ON ENGAGEMENT

From: **17th March 2021**

To: **16th March 2023**

### PART I. STATEMENT OF CONTINUED SUPPORT BY THE CHIEF EXECUTIVE OR EQUIVALENT

PLEASE USE THE BOX BELOW TO INCLUDE THE STATEMENT OF CONTINUED SUPPORT SIGNED BY YOUR ORGANIZATION'S CHIEF EXECUTIVE OR EQUIVALENT.

16th March, 2023

To our stakeholders:

I am pleased to confirm that Forever Sabah reaffirms its support to the United Nations Global Compact and its Ten Principles in the areas of Human Rights, Labour, Environment and Anti-Corruption. This is our Communication on Engagement with the United Nations Global Compact. We welcome feedback on its contents.

In this Communication of Engagement, we describe the actions that our organization has taken to support the UN Global Compact and its Principles as suggested for an organization like ours. We also commit to sharing this information with our stakeholders using our primary channels of communication.

Sincerely yours,

Cynthia Ong  
Chief Executive Facilitator

## **Part II. Description of Actions**

Please use the box below to describe the actions your organization has taken in support of the Global Compact. It is strongly recommended that the actions taken are related to one or more of the specific activities suggested.

*Please refer to the complete list of suggested activities for your type of organization found [here](#).*

Forever Sabah has ensured that Global Compact principles are incorporated into our internal operations.

Global Compact membership was a compliance requirement for us and the other grantees of the UK Government's Partnering for Accelerated Climate Transitions (UK-PACT). Over the course of the past two years we have engaged regularly with fellow business and non-business organisations that are part of this Malaysian Global Compact Local Network building collaborations with government to strengthen institutional capacity and political will to address climate change.

### **Part III. Measurement of Outcomes**

Please use the box below to include the most relevant qualitative and/or quantitative indicators to measure the outcome of the activities described in Part II above.

We have shared our expertise to Malaysian Global Compact Local Network members around UN Global Compact Principle 9 (encourage the development and diffusion of environmentally friendly technologies), specifically in regards to renewable energy mini-grids for (SDG Goals 7 and 13).
