

## CENTRO UNA FAMILIA DE FAMILIAS

CEFF-DE-2023-017

21 March 2023

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing, and posting our COP report due to information analysis on our general performance for the SDG's Targets accomplishment and achievements for the ten principles of Global Compact. As part of the Company of Jesus in Ecuador, we undergo executive analysis of our work in regard of comprehensive monitoring and evaluation information.

We hereby ask for an extension period in order to be able to post a COP that describes our Organization's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 21 January 2023 at the latest.

Sincerely yours,

Mr. Johnny Espinosa  
Executive Director
