To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing, and posting our COE report because we have been undergoing a restructuring in our faculty, resulting in many internal searches for Department Chairs and other internal leadership roles. Additionally, we have just reached the end-of-term exam period and people working on the COE have their foci on this aspect. We hereby ask for an extension period to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by June 15th, 2023, at the latest.

We thank you for considering our request.

Sincerely,

Dr. Binod Sundararajan
