To whom it may concern

We recognise that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to staffing issues. The person previously responsible for this has recently left the organisation without any handover and we are currently in consultation with our IT Department to try and retrieve any documentation to assist us in completing our obligations.

We hereby ask for an extension period in order to be able to post a COE that describes 3Bridge's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by 31st May 2023 at the latest.

Sincerely yours,
