

HECHO POR NOSOTROS

May 5th, 2023

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Asociación Civil Hecho por Nosotros is late in creating, sharing and posting our COE report due to a number of significant events, actions and developments that took place during the past year that we felt were important to include in our COE report. These events required additional research and analysis, which ultimately led to delays in our report preparation process. We also wanted to ensure that our report accurately reflects the current state of our organization's sustainability efforts, and thus we needed additional time to collect data and analyze our progress.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by 2023/08/04 at the latest.

Sincerely yours,

Adriana Marina
