To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to unforeseen circumstances that have caused a delay in transmitting relevant files necessary to prepare the said report.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by September 1, 2023 at the latest.

Sincerely yours,

(Datu Sadja) Matthew Pajares Yngson, GCPS KCR FRSA
