To our stakeholders;

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE, as our enhanced Communication of Progress Report based on enhanced COP guidelines introduced in February 2023 is about to be published.

We hereby ask for an extension period in order to be able to post our COP that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by 19.08.2023 at the latest.

Sincerely yours,
