Grace Letter
25 May 2023 , Kyiv, Ukraine

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

This year, we are late in creating, sharing and posting our COE report due to the following reasons:

- despite the continuation of the full-scale Russian war against Ukraine, the League of Professional Women (LPW) with head office based in Kyiv, continues to work hard, but needs more times for preparing this report.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact.

Our COE (we hope) could be posted on the UN Global Compact website by 30 July 2023 at the latest.

Sincerely yours,

 Lazorenko O.

Dr. Olena Lazorenko,
LPW President
