## United Nations Global Compact Communication on Engagement

Period covered by this Communication on Engagement

From: 2021

To: 2023

### Part I. Statement of Continued Support by the Chairman of the National Forum for People's Rights

National Forum for People's Rights(NFPR) confirms its support to the United Nations Global Compact and its Ten Principles in the areas of Human Rights, Environment and Anti-Corruption. This is our Communication on Engagement (COE) with the United Nations Global Compact.

In this Communication of Engagement, we describe the actions that our organization has taken to support the UN Global Compact and its Principles as suggested for an organization like ours. We also commit to sharing this information with our stakeholders using our primary channels of communication.

## Part II. Description of Actions

National Forum for People's Rights works for the promotion of human rights, Environmental Protection and Anti Corruption.

### Human Rights

National Forum for People's Rights is primarily a human rights organization with its branches throughout India. We conduct the following programmes for the promotion of human rights:

1. Awareness programmes at local and regional levels.
2. Competitions for children to make them aware of the human rights programmes.
3. Active involvement in human rights issues by providing basic human rights needs like food, clothes, shelter, educational support, etc. to the needy.
4. Opening relief camps at various places during natural calamities.
5. Conducting Gramin Vikas Schools at rural areas to provide better education to village children
6. Starting Old age homes to cater the needs of the aged.

### Environmental Protection

We conduct the following programmes for the environmental protection.

1. Campaigns and awareness programmes
2. Planting trees
3. Having waste management systems at the local levels.

### Anti- Corruption

We fight against corruption in all forms. We have small investigation teams and they bring the instances of corruption to the public notice and fight to get the culprits punished. We conduct campaigns and awareness against corruption to make the people brave enough to fight corruption.

## Part III. Measurement of Outcomes

As a result of our work a lot of people in India are aware of their human rights and duties. Children get better education in our institutions and they come out with human rights vision. Officers are aware of our anti-corruption activities and they are cautious. One new institution is going to take membership of UN Global Compact in the next month.
