Period covered by this Communication on Engagement

From: December 2021 To: August 2023

Part I. Statement of Continued Support by the Chief Executive or Equivalent

August 17, 2023

To Global Compact:

I am pleased to confirm that NGO Sustainability reaffirms support of the United Nations Global Compact and its Ten Principles in the areas of Human Rights, Labour, Environment and Anti-Corruption. The following is our Communication on Engagement with the United Nations Global Compact.

In this Communication of Engagement, we describe the actions that our organization has taken to support the UN Global Compact and its Principles as suggested for an organization like ours. We also commit to sharing this information with civil society using our digital communications and invitations to events.

Sincerely yours,

Roma Stibravy, President

Part II. Description of Actions

1. Engage with Global Compact Local Networks:

NGO Sustainability is a member of the US Chapter for the UN Global Compact.

2. Join and/or propose partnership projects on corporate responsibility:

NGO Sustainability hosted a UN side event, "Energy Transition Industries: Solutions to Achieving the SDGs": Hannon Armstrong, Plug Power Inc, PureCycle Technologies, National Renewable Energy Laboratory, Columbia University (SIPA,CBS), and EVgo were the participating companies.

3. Engage companies in Global Compact – related issues:

NGO Sustainability produces a Newsletter on current happenings on sustainability and renewable energy which among its 1,300 recipients are many private sector companies. The newsletter also appears on our website.

NGO Sustainability held its annual meeting and discussed SDGs 6 and 14 and new renewable energy technologies with private companies and UNDESA UNDOALOS.

NGO Sustainability president, Roma Stibravy attended the Roth MKM Capital Annual Event; Roth MKM NYC Technology and Health Day conference in NYC to discuss their compact related topics. We will be attending again in November 2023.

4. Join and/or support special initiatives and work streams:

NGO Sustainability is actively engaged in promoting MANRESA Island, Norwalk, Connecticut in the transition from a Fossil Fuel power plant to a Renewable Energy site.

5. Provide commentary on companies on Communication on Progress:

No answer. Do not understand the question.

6. Participate in Global Compact global and local event:

We follow the LinkedIn messages of the CEO and Executive Director of the UN Global Compact, Sanda Ojiambo.

We are on the mailing list of the UN Global Compact and are up to date on their latest activities. We also assign an intern to be responsible for reports on the work of the Global Compact.

Part III. Measurement of Outcomes

As a measurement of outcomes:

- Wide distribution and positive response to our Newsletter; “Global Warning.”
- Holding Side Events at the United Nations.
- Promotion of solar technology on Manresa Island.
