

## Ending the Sexual Exploitation of Children

---

September 26, 2023

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report as there have been significant changes in our organizational structure, which necessitated additional time for us to align our reporting processes with the new framework.

Furthermore, the finalization of our 2022 annual report has demanded considerable resources and attention, as it is an essential document for our stakeholders and regulatory compliance

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by December 15, 2023 at the latest.

Sincerely yours,

Ana Maria Dionela  
Executive Director
