Communication of Engagement

I am pleased to confirm that Innovation Norway reaffirms its support to the United Nations Global Compact.

We support the dimensions of the UN Sustainable Development Goals, and we are working towards implementing the ten principles in all of Innovation Norway's operations in Norway and our offices abroad. In addition, we are taking action to support our corporate partners and other stakeholders in implementing the UN Guiding Principles for Businesses and Human Rights and engaging actively with the UN Global Compact locally in Norway.

In this Communication of Engagement, we describe the actions that our organisation has taken in support of the United Nations SDGs as suggested for an organisation like ours. We also commit to sharing this information with our stakeholders using our primary channels of communication.

Sincerely Yours,

Håkon Haugli
Chief Executive Officer
