## United Nations Community Service Program

### Dental Check-up Camp

A Dental Check-up Camp was held in school on Saturday, 23rd September, 2023 as a part of our United Nations Community Service Program.

A team of Dentists from Hasanamba Dental College and Hospital came to do Dental checkups of the students and parents from classes Pre-KG to class 8 and the camp was advantageous for the students as they got an opportunity to know more about various aspects of dental care.

The doctors brought well-equipped oral examination tools to examine the students effectively. They also spoke to the students about how to increase awareness and improve access to oral healthcare services.

The objective of this event was to spread awareness on oral health. The students also asked the queries they had in their mind which were solved by Dentists. The camp turned out to be very beneficial for our students, parents and staff members.

This camp will bring a change in behavior of the students and they would now start taking preventive measures to avoid oral health problems.

### Thank you

Hasanamba Dental College and  
Hospital, Hassan
