

2nd October 2023

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to our institution's reporting period falling in March to June 2024 towards which we have been working tirelessly. We are currently compiling necessary and relevant data to inform our institution's UN PRME Sharing Information on Progress (SIP) report which will also inform our COE for UNGC.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by 22nd December 2023 at the latest.

Sincerely yours,

Dr Shariq Sheikh
