**Department of Mathematics has organised a
quiz program on Non Violence**

We are inspiration in action

Date: October 6, 2023

Pollachi:

In a celebration of Gandhi Jayanti, NGM Arts and Science College in Pollachi, Tamil Nadu, organized a quiz competition on non-violence, hosted by the Department of Mathematics. The event witnessed enthusiastic participation from

approximately 250 college students.

The quiz competition aimed to promote the principles of non-violence championed by Mahatma Gandhi, a global icon of peace and social change.

Participants engaged in a thought-provoking contest, demonstrating their knowledge and understanding of non-violence and its significance in contemporary society.

The esteemed college officials, including the Principal, Head of Department (HoD), Professors, and Associate Professors, graced the event with their presence. They applauded the students for their active involvement and commended their dedication to learning and understanding the principles of non-violence.

The event fostered a spirit of unity and understanding among the student

community, underscoring the importance of peaceful coexistence and empathy in today's world. NGM Arts and Science College remains committed to promoting values that resonate with the teachings and legacy of Mahatma Gandhi, emphasizing non-violence as a powerful instrument for positive change and social harmony.
