Srinagar: Students of GD Goenka Public School, Srinagar organized a Cleanliness Drive under the spirit of "Gandhi jayanthi" and "Swachh Bharat Swasth Bharat Abhiyaan Programme". The students were divided in groups during the drive. The main purpose of this programme was to create awareness among

the students regarding the cleanliness and its benefits.

Teachers took part of this drive enthusiastically.

Teachers started the programme by cleaning the corners of the playground and students joined suit by picking wrappers and waste papers lying there.

In the end, we all took an oath of keeping our homes, school and the city clean. It was a unique experience for all of us. It resulted in reduced littering and increased awareness about cleanliness and its benefits.

The students became more conscious of their surroundings and took an active role in the drive and understood, by following these simple habits in our daily routine we can keep ourselves and our surroundings neat and clean as cleanliness is utterly essential to lead a healthy and peaceful lifestyle and we should not neglect it.
