Telengana, India: Oakley International school

Adilabad, Today was a very special day for Oakley International School as children were given ample of opportunities to showcase their skills, potentials with perfection on the account of Gandhi Jayanti . All the children from Reception to Grade VIII pooled their energies and dived into the activities of various art and craft. Starting with grade IK1 students enjoyed seeing the movie of Gandhiji. IK2 presented beautiful coloured pictures of Gandhiji. GRADE I students coloured the pictures of Gandhiji and created slogan placards.

Grade II students drew the Chakra and saw the movie of Gandhiji. Grade III did drawing with some quotes. Grade IV were all charged up with quiz competition that was conducted in the class, children also did craft work in class Grade V did the Gandhi March in the school joyfully. Grade VI students contributed in making the spinning Wheel, wrote letters and carved beautiful images of Gandhiji. Grade VII students sketched few beautiful pictures of Gandhiji. Last but not

the least grade VIII made batches, did leaf painting with the image of Gandhiji and created chart work on Gandhiji's life.

The day ended with a positive note and learners learnt the importance of Gandhi Jayanti. Photographs were taken with the School Principal Dr. Jemi Sudhakar each class presenting their best activities in class.

The Principal addresses the learners and informed everyone to spread harmony, peace and create a harmonious environment.

Thank you

Dr. Jemi Sudhakar
