Dear Secretary-General,

I am pleased to confirm that STUF United Fund Inc. continues to support the ten principles of the UN Global Compact with respect to human rights, labor, environment, and anti-corruption.

With this commitment, we express our intent to continue to advance these principles within our sphere of influence and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to continue to participate in the activities of the UN Global Compact where appropriate and feasible, for instance, participation in country/local networks, involvement in specialized initiatives and work streams, and engagement in partnership projects. In this Communication of Engagement, we describe the actions that our organization has taken to support the UN Global Compact and its principles as suggested for an organization like ours.

Thank you and we look forward to working with the UN Global Compact to create a greater positive impact in this world.

Sincerely yours,
