To our stakeholder

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are creating, sharing, and posting our COE report due to our current busy activity schedule, we facing unexpected challenges in completing the report on time. Over the past several weeks, our team has been heavily involved in various crucial projects and initiatives that have demanded our full attention and resources

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the Global Compact Website by 22 December 2023 at the latest.

Sincerely yours,
