Dear Mr. Secretary-General,

UN GLOBAL COMPACT COMMUNICATION ON ENGAGEMENT

I am pleased to confirm that Private Sector Foundation of Lesotho (PSFL) supports the 10 principles of the UN Global Compact with respect to Human Rights, Labour, Environment, and Anti-Corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the 10 principles.

We also pledge to participate in and engage with the UN Global Compact where appropriate and feasible, such as participation in country/local networks, involvement in specialised initiatives and work streams, engagement in partnership projects, and reviewing and providing commentary to participating companies on their Communications on Progress (COP).

We support public accountability and transparency, and therefore commit to report on progress within 2 years of joining the Global Compact and every 2 years thereafter according to the Global Compact COE policy.

Yours Sincerely,

Thabo Qhesi (Mr.)
Chief Executive Officer
