In this collective journey towards a brighter future, we understand the importance of nurturing the minds of our youth and instilling in them the values of peace, harmony, and global citizenship. By opening our schools, we are taking a significant step in this direction.

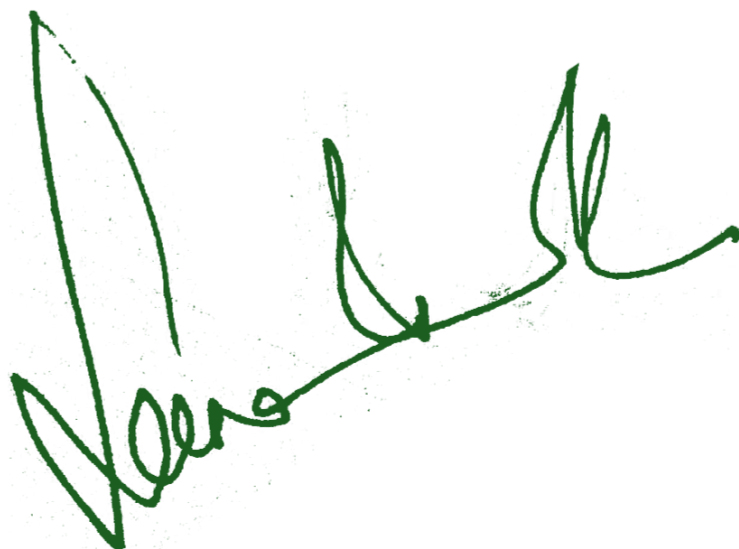

Our vision is not just to educate, but to empower the next generation with knowledge and empathy, equipping them to be leaders who champion positive change in their communities and beyond.

As we celebrate UN Day, we encourage all our partners, supporters, and educators to continue fostering a culture of inclusivity, diversity, and respect within our schools. Let us inspire our students to be active global citizens who understand the significance of the United Nations and its role in promoting peace and sustainable development.

We look forward to the upcoming activities and projects that will further enrich the educational experience of our students, and we anticipate sharing their achievements and moments of inspiration through photos and stories.

Together, we are shaping a better world through education, and we are immensely grateful for your unwavering support and dedication to this noble cause.

Once again, congratulations to the newly inducted schools and a heartfelt thank you to all our supporters. Let's continue this inspiring journey together towards a brighter, more peaceful, and educated world. Happy UN Day!
