

UIPM USA (Universal Institute of Professional Management) Communication of Engagement (CoE) Report 18 July 2023

UIPM President expressing continued support for the Global Compact and renewing the participant's ongoing commitment to the initiative and its principles

On Tuesday 18 July 2023 from 8:30 a.m.–12:00 p.m. EDT, the United Nations Department of Economic and Social Affairs (DESA), the UN Global Compact, the International Organisation of Employers (IOE) and the World Business Council for Sustainable Development (WBCSD) will co-host the [SDG Global Business Forum](#) at the UN Headquarters in New York alongside the UN High-Level Political Forum on Sustainable Development (HLPF).

UIPM USA - Universal Institute of Professional Management attended the High Level Forum meeting which was part of the main event, namely the High Level Political Forum (HLPF), which was held in the Special Room of the United Nations (UN) in New York, USA.

The forum meeting emphasized cooperation in the Sustainable Development Goals (SDGs) program and Global Partnership.

The event was attended by UIPM USA CEO Prof. Dr. Rantastia Nur Alangan and attended by Ministers from the Asia Pacific region, namely Mrs. Judith Suminwa Tuluka (Minister of Planning of the Democratic Republic of the Congo), H.E. Suharso Monoarfa as Minister of National Development Planning and Head of BAPPENAS, Indonesia.

Apart from that, there were also Michael Pittelkow (Economic Development Cooperation Executive at SAP), Mrs. Djeneba Kouanda as (Head of the Development Cooperation Department at the Ministry of Economy, Finance and Future Planning of Burkina Faso).

The talks highlighted the relevance of effective development cooperation and multi-stakeholder partnerships for development progress, while highlighting the links between the new Global Partnership monitoring exercise and the Sustainable Development Goals (SDGs) and Voluntary National Reviews (VNRs).

Not only that, the meeting emphasized how the new Global Partnership monitoring exercise will provide evidence of development effectiveness, contribute to reporting on the SDGs (The Sustainable Development Goals) which aim at sustainable development (TPB) which covers various social and economic development issues. as well as improving the quality of the VNR (Voluntary National Report) for the country.

From the UIPM USA who was present as an Observer, one of them, Rantastia Nur Alangan, said that he provided full support to carry out the program with sustainable goals in all aspects of life in the Asia Pacific.
