Commemorates National NCC Day with  
Symbolic Act of Environmental  
Stewardship**

On 26th November 2023, the Coorg Public School and PU College in South Kodagu, Karnataka, observed the National Cadet Corps (NCC) Day with a special tree planting event, symbolizing the organization's commitment to youth development and environmental sustainability. As the largest uniformed and disciplined youth organization in India, the NCC holds significant cultural and historical importance, and its

principles of discipline and service were exemplified by the participating cadets from the Junior and Senior wings.

Under the guidance of NCC officers Capt. Ganesh and Mr. Kishore Kumar, along with the esteemed presence of the school's Principal, Dr. M. Ramachandran, the cadets took part in the meaningful initiative of planting saplings on the school grounds. This act not only demonstrated the cadets' dedication to the values of the NCC but also underscored their commitment to environmental conservation and sustainability.

The event was attended by a diverse group of participants and witnesses, fostering a spirit of collaboration and community engagement. The presence of the NCC officers and the school's leadership underscored the significance of the

occasion and provided the cadets with valuable guidance and inspiration.

Speaking on the importance of the day, Principal Dr. M. Ramachandran emphasized the role of the NCC in shaping the character and values of the youth and commended the cadets for their proactive involvement in the celebratory event. "The NCC embodies the spirit of discipline, leadership, and service, and today's tree planting initiative reflects our collective commitment to nurturing responsible and conscientious citizens," remarked Dr. Ramachandran.

The tree planting event served as a testament to the enduring legacy of the NCC and its role in shaping the future leaders of India, instilling in them a sense of duty towards both society and the environment.
