Ruby International Preschool

Bharuch, Gujarat

Greetings from Ruby International Preschool, Bharuch!

We are delighted to share with you the highlights of our Children's Day and Green Diwali celebration that took place on November 2023. It was a day filled with fun, learning, and creativity for our little Rubies and their parents.

We organized a Rangoli making competition for the parents and the children, where they showcased their artistic skills and created beautiful designs using natural materials. The winners of the competition were Naksh Choksi and Ananya Hariyani, who received certificates and prizes from the school.

We also had various activities for the Early Care and Nursery Rubies, such as collage making, fireless cooking, and paper tearing. They made mithai diyas, paper lanterns, and Diya collages using colorful papers and glitters. They also learned about the significance of Diwali and how to celebrate it in an eco-friendly way.

We thank all the parents and the children for their participation and enthusiasm. We hope you enjoyed the celebration as much as we did. We wish you all a very happy and prosperous Diwali!
