WORLD AIDS DAY

December 1st

SBOAMHSS - Coimbatore

The UN Designated School in India

The UN Designated School in India

Awareness Programme Conducted on World AIDS Day at SBOAMHSS, Coimbatore

In observance of World AIDS Day, SBOAMHSS in Coimbatore, India, organized an awareness programme for adolescents within the school premises. The event took place on 1 December 23 and aimed to educate students about the importance of health and hygiene, particularly focusing on HIV/AIDS prevention and awareness.

The programme was led by Mrs. Sheela Rose, the school Nurse, and Mrs. Sasikala, the student counselor. They provided valuable information on health and hygiene practices, while Mrs. Sheela Rose also conducted basic health and hygiene observations as part of the initiative.

Mrs. Sabural Banu Ibrahim, the Principal of SBOAMHSS, expressed her gratitude to the medical professionals for their valuable contribution to the event.

The programme commenced on 7 December 23 and received positive participation from the students and staff of SBOAMHSS, highlighting the school's commitment to promoting health awareness and education among its student body.

The event served as a reminder of the ongoing importance of HIV/AIDS education and prevention efforts, and the school's proactive approach to nurturing the well-being of its students.
