

João Pessoa, 09/12/2023

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to for some days, because we are waiting for result numbers for some projects and our participation in COP 28 in Dubai, Where we are presenting our Environment Plan then we will post a draft, but in one month the total COE. We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by 2024/03/08 at the latest.

Sincerely yours,
