RE: REQUEST FOR EXTENSION

We recognize that a key requirement for non-business participation in the UN Global Compact is the preparation and submission of a Communication on Engagement (COE) every two years. The COE comprises a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to the end of year academic period which has impacted related staffing resources including access to relevant reporting material. We hereby ask for an extension period in order to be able to post a COE that describes our institution's efforts and progress to implement the principles of the UN Global Compact. Our new COE report will be posted on the UN Global Compact website by *Thursday March 14, 2024*, at the latest.

Sincerely yours,

Dr Rosemary Sainty
