

14th December 2023

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

GCU is also a member of UN's Principles of Responsible Management Education (PRME) and was one of few Universities globally to participate in the initial pilot for the new reporting process which will make way for the Sharing Information on Progress (SIP) 2.0 version being launched for all member Higher Education Institutions. In order to align our COE reporting cycle to that of UN PRME's SIP reporting, we want to align our internal reporting cycle with the COE deadline.

We hereby request our COE deadline to be adjusted to 1st August 2024.

Sincerely yours,

Dr Shariq Sheikh
