## 20 December 23, Celebration of International Human Solidarity Day

It's great to see the Ruby International Preschool in Bharuch, Gujarat, coming together to celebrate International Human Solidarity Day on December 20, 2023.

The message of unity and solidarity among different states, religions, castes, and creeds is truly heartwarming, especially during these times when the world needs more compassion and togetherness.

The emphasis on the strong spirit of oneness is a powerful reminder of the value of diversity and inclusion in our communities. It's inspiring to see young students, the "Little Rubies," fostering such positive messages at an early age. Their understanding and appreciation of diversity will undoubtedly contribute to a more harmonious society in the future.

Special recognition should be given to **Mrs. Krishna N Parker**, the school principal, for her leadership and for appreciating the efforts of both teachers and students. Her support and encouragement are instrumental in fostering an

environment where such important values are instilled in the young minds of the students.

This initiative showcases the wonderful work being done at Ruby International Preschool and serves as an example of how education can help shape a more tolerant and empathetic society. This celebration of International Human Solidarity Day is a testament to the power of unity in diversity and the profound impact it can have on communities.
