The Reporting Team

UN Global Compact

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We have undertaken a couple of sustainably impact projects that will be completed by June 2024. This is the reason for not preparing and sharing our COE report right now. We hereby ask for an extension period to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by June 2024 at the latest.

I kindly request you to provide us this supplementary time to ensure that the latest report reflects truly our ambition and engagements in terms of sustainability and social responsibility. We again reiterate our total commitment with global compact. If you have some questions or reservations please do not hesitate to ask, we will be pleased to answer.

I thank you in advance for your favorable consideration,

Sincerely yours,

Muhammad Atif Khan

CSR and Sustainability Manager
