UN – Resolution 2024

UN Women Designate – Mrs Rekha Kumbar
Principal, Mahan Anjanadri Vidya Kendra,
Bangalore – A school designated as a
United Nations school in India

As the designated principal of Mahan Anjanadri Vidya Kendra, with a strong focus on SDG 4: Quality Education and a commitment to fostering leadership skills, Mrs. Rekha Kumbar's New Year's resolutions for 2024 could include the following:

1. Empowerment through Education: Mrs. Kumbar can resolve to further empower students and staff by promoting an inclusive and empowering educational environment. This could involve organizing workshops, seminars, and activities centered around leadership and personal development.
2. Curriculum Enrichment: Mrs. Kumbar can resolve to enrich the school's curriculum

with modules that specifically focus on leadership skills, 21st-century skills, and global citizenship, aligning with the values of the Global Goals.

3. Mentorship Programs: Implement mentorship programs that pair students with community leaders, professionals, or alumni to provide guidance and inspiration for developing leadership qualities and reaching their full potential.

4. Student Leadership Opportunities: Create more opportunities for students to take on leadership roles within the school, such as student council positions, event organization, or community outreach projects.

5. Professional Development: Encourage the professional development of the faculty and staff by providing training and resources that support the cultivation of leadership skills in both educators and students.

6. Community Engagement: Strengthen the school's ties with the local community by organizing outreach programs that allow students to apply their leadership skills in real-world contexts, fostering a sense of social responsibility.

By focusing on these resolutions, Mrs. Rekha Kumbar can continue to drive positive change and contribute to the advancement of SDG 4 while nurturing a new generation of empowered and empathetic leaders.
