

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a President statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are apologizing for being late in creating, sharing and posting our COE report. We hereby ask for an extension period in order to be able to post COE that describes our organization's efforts and progress to implement the principles of the UN Global Compact.

Our new COE report will be posted on the UN Global Compact website by 31 January 2024 at the latest.

Sincerely yours,

**Poppy Dharsono**  
President of APPMI
