To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to a number of changes in the internal system and the delay in the new processes that we have set in for compilation of the various activities and outcomes.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by **31 March 2024** at the latest.

Sincerely yours,

Mr. Ashwini Saxena

Chief Executive Officer,

JSW Foundation
